PART VII: WITHHOLDING NOTICE AND ELECTION FORM (Form W4P/OMB No. 1545-0074) Department of Treasury, Internal Revenue Service

Complete only if you are converting a Traditional, SEP, or SIMPLE IRA to a Roth IRA.

NOTICE: The distributions you receive from your IRA are subject to Federal income tax withholding unless you waive withholding. You may waive withholding on your IRA distribution by returning a signed and dated IRS Form W-4P, *Withholding Certificate for Pension or Annuity Payments*, or substitute Form W-4P to the Custodian. Withholding will apply to the total amount of the distribution, whether taxable or not. If you waive withholding on your IRA distribution, or if you do not have enough Federal income tax withheld from your IRA distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. You are responsible for determining and paying all Federal, and if applicable, state and local taxes on distributions from all IRAs you own. If you do not waive withholding or elect an alternative withholding amount, ten percent will be withheld from your nonperiodic IRA distribution. Your election is valid until you revoke it. You may change your withholding election by completing another Form W-4P or substitute. If you are a non-resident alien you may not use Form W-4P to withhold income tax or to waive withholding.

Election: Unless you indicate a different withholding amount below or you waive withholding by indicating your election below, ten percent will be withheld from your IRA distribution.

- I do not want federal income tax withheld from my distribution from this account.
- I want federal income tax of 10% withheld from my distribution from this account.
- I want federal income tax of _____% (greater than 10%) withheld from my distribution from this account.
